To

The Hon. P.T.Rajan Esquire,

M.A.Oxen, Bar-at-law.

Minister ofor Public Works,

Government of Madras.

Sir,

We the Directors and Members of the Moodbidri Co-operative Society and also the Citizen of Moodbidri are exceedingly thankful to you for having given us an opportunity to meet you this day. We are grateful to you for your visit to this place which enables us to explain to you some of our grievances and which enables you to have a first hand knowledge of the difficulties under which we labour.

In the first place we are sorely in need of Vererinary help to protect our cattle which are the chief agricultural wealth of poor cultivators against the ravages of disease. Recently there was a severe and widespread out break of Rinder-pest of a virulent type which destroyed hundreds of cattle in the Moodbidri town as well as in the adjoining villages. The Veterinary Assistant Surgeon who visited this place was unable to render adequate assistance add meet the situation on account of want of proper supply of serum and one officer hardly able to attend to all the cases of attack in different villages. The disease prevailed in such a virulent form that in majority of cases the attack proved fatal. It is absolutely necessary to station a Veterinary Officer at Moodbidri permanently and to have a dispensary for the benefit of the people. This is a crying need of the locality where an outbreak of a disease of some kind or other takes place annually and takes a heavy toll of cattle and unless it is remedied our agricultural population will be impoverished by the loss of cattle for want of adequate means of protection against disease. In our humble opinion the need for relief we ask for cannot be postponed on account of any financial stringency. This is a service whcih is as much needed for the well-being of the

ryot as any other services which are being maintained by Government at heavy costs.

We have been agitating for a pasture ground for this place for the use of the cattle but unfortunately our request was not granted by the Revenue Borad. The Government seem to be not in favour of having common grazing grounds as they consider that indiscriminate herding of cattle on the common grazing ground is likely to deteriorate the breed, but such deterioration can be prevented by placing the common grazing ground in charge of the Village Panchayat which can prevent indiscriminate herding of cattle and look to the improvement of the breed of cattle.

A In this connection we would request that the Agricultural Department may be asked to supply a breeding bull for the use of the village which will be maintained by the Co-operative Society.

Our Co-operative Society at Moodbidri has a share capital of Rs.5112/- with a membership of 295. We work on our own local deposits which amount ot Rs..9527-3-0. On account of the careful system of lending we are having surplus funds. Our non-members feel that it is a disadvantage to them to deposit in our society as they cannot get any loan from the society on the security of their deposit in case of need. We request that the Government may be pleased to exempt our Society from the restriction against lending to non-members in respect of loans made to non-members depositors on the security of their deposits. The Reserve Fund of our Society has a accumillated to Rs.3295-13-0 and we have been working for several years at a profit.

B

In conclusion we offer our grateful thanks to you for giming us an opportunity of representing our grievances that you will be graciously pleased to remedy the same.

We beg to remain,

Sir,

Your most obedient servants,

From (Name) D. N. Strathie Esq., I.C.S.,
(Designation) Registrar of Co-operative Societies, Chepauk, Madras.

To The Secretary to the Government of Madras,
DEVELOPMENT Department.
FORT ST. GEORGE, MADRAS.

Sir,

Ref: Development Department Endorsement No. 201-III/30-1, dated 23rd January 1931.

The Moodbidri Co-operative Society is one of the few rural societies in South Kanara District which is reported to be working satisfactorily. The overdues are only just over 10 per cent The society is well managed. The deposits from members amount to Rs.4,212 and that from non-members to Rs.5,513. The President of the Society who is a retired Sub Assistant Surgeon is also the President of the Local Supervising Union and a director of the South Kanara Central Bank. The society on account of its efficient management has been able to attract considerable deposit from non-members

most of whom reside outside the area of operations. More deposits may be expected if loans are permitted to be issued to non-members on the security of their deposits. The society may therefore be exempted from the operations of Section 29 (1) of the Co-operative Societies Act to the extent that it may lend to non-members on the security of their deposits.

I have the honour to be,
